While all information and prices is deemed accurate, Jamaica Cottage Shop, Inc. has the right to refuse or cancel any orders placed containing incorrect amounts due to typographical errors or incorrect prices. We are under no obligation to accept an order for which the price was posted incorrectly. The product remains the property of Jamaica Cottage Shop until paid in full.
Changes to the standard design (per the PDF spec sheet online) including rough openings for door and or windows, siding, and/or roofing, etc, will require on-site cutting and will not be reflected in the step-by-step plans. The changes are the responsibility of the client who may make their own modifications by purchasing substitute and/or additional materials via separate order. Kits will be pre-cut for all standard rough openings regardless of client-requested deductions of standard options. JCS makes all attempts to accommodate revisions to original design but makes no guarantee to quantity of materials needed for the modifications. Pictures may be of client-modified projects and do NOT depict the standard option of the design (per its downloadable spec sheet online) – they may contain windows, doors, siding, hardware, etc not included in the standard design/order (i.e., not all designs come standard with battens; however, they may be purchased as a separate order). Please refer to the spec sheet for the design's standard specifications or ask a Cottage Associate.
