

4x6 Saltbox

Call Toll-Free: (866) 297-3760

Deep enough to step inside, this cottage will house garbage, recyclables, general storage or a hobby. With some organization bicycles could be hung, shelving and hooks added for additional storage. A ramp is included if you want it, push mowers will roll right in.

Hand made in Vermont, from native rough sawn hemlock and pine lumber, this cottage is delivered fully assembled to your prepared site. Rugged post and beam techniques, passed down through the centuries, are used to construct this sturdy picturesque retreat, reminiscent of old New England. Have your own Vermont cabin in the woods!

All of our wood sheds, storage sheds, outdoor storage sheds, garden sheds, storage shed kits, cottages and utility enclosures are built of the finest Vermont lumber and handcrafted for long life and durability. New England weather can really put a wood garden shed or cottage to the test, and Jamaica Cottage Shop's products have proven to stand the test of time and strength.

- Included in the kit:**
- * All Fastening Hardware
 - * Step-by-Step Plans

Plans

Jamaica Cottage Shop, Inc. designed these plans for do-it-yourself homeowners. The detailed plans include foundation options, a shopping list, and a color coded cut list. The trigonometry of the roof triangles has all been simplified with tracing the cut-out roof templates. The plans are set for full dimensional lumber and provide a clear step-by-step path.

Complete Kit

The rough sawn native Vermont lumber package has all the pieces cut and ready for assembly. The fasteners, hardware, windows, and doors are included as well as the step by step plans. The kit is geared to a do-it-yourself homeowner with beginner knowledge of carpentry.
