

# 12x14 Writers Haven

Call Toll-Free: (866) 297-3760

Imagine having your own private Writer's Haven: a place to be alone with your thoughts. Just as Henry David Thoreau had his cabin on Walden Pond, you can have a sanctuary all your own.

With the translucent roofing and abundance of windows, the natural light fills the room making it ideal for spending long days writing, reading, painting, or relaxing. Complete with a daybed, this little hide-away is a great place to take a summer siesta. The built-in desk provides an ideal workspace regardless of your artistic pleasure and the cottage itself emanates inspiration.

### Plans

Jamaica Cottage Shop, Inc. engineered the plans for our designs to do-it-yourself homeowners. The detailed plans include foundation options, a shopping list, and a color coded cut list. The trigonometry of the roof triangles has all been simplified with tracing the cut out roof templates. The plans are set for full dimensional lumber and provide a clear step-by-step path.

### Complete Kit

The rough sawn native Vermont lumber package has all the pieces cut and ready for assembly. The fasteners, hardware, windows, and doors are included as well as the step by step plans. The kit is geared to a do-it-yourself homeowner with some knowledge of carpentry.

### Fully Assembled

Fully assembled from native rough sawn lumber here at our manufacturing facility, this design is delivered to your client prepared, truck accessible site in one piece. The building is set and leveled by our delivery crew and ready to use when we leave your site. Due to road restrictions, fully assembled models are available in the north-eastern United States only.
