

4x4 Bus Stop

Call Toll-Free: (866) 297-3760

Do you remember walking uphill to school in a snow storm, both ways! Well kids these days may have it a bit easier, but waiting for the bus in the rain, wind and cold can be very unnerving for a parent. Put your worries to rest knowing that the children will be huddled in this bus stop shelter. Easily customizable by adding a bench, window, door, or by expanding to a bigger size.

Hand made in Vermont, from native rough sawn hemlock and pine lumber, this cottage is delivered fully assembled to your prepared site. Rugged post and beam techniques, passed down through the centuries are used to construct this sturdy, picturesque, retreat reminiscent of old New England.

All of our wood sheds, storage sheds, garden sheds, storage shed kits, cottages and utility enclosures are built of the finest Vermont lumber and handcrafted for long life and durability. New England weather can really put a wood garden shed or cottage to the test, and Jamaica Cottage Shop's products have proven to stand the test of time and strength.

Plans

Jamaica Cottage Shop, Inc. designed these plans for do-it-yourself homeowners. The detailed plans include foundation options, a shopping list, and a color coded cut list. The trigonometry of the roof triangles has all been simplified with tracing the cut-out roof templates. The plans are set for full dimensional lumber and provide a clear step-by-step path.

Complete Kit

The rough sawn native Vermont lumber package has all the pieces cut and ready for assembly. The fasteners, hardware, windows, and doors are included as well as the step by step plans. The kit is geared to a do-it-yourself homeowner with beginner knowledge of carpentry.
